**About Cave Creek Regional Park**

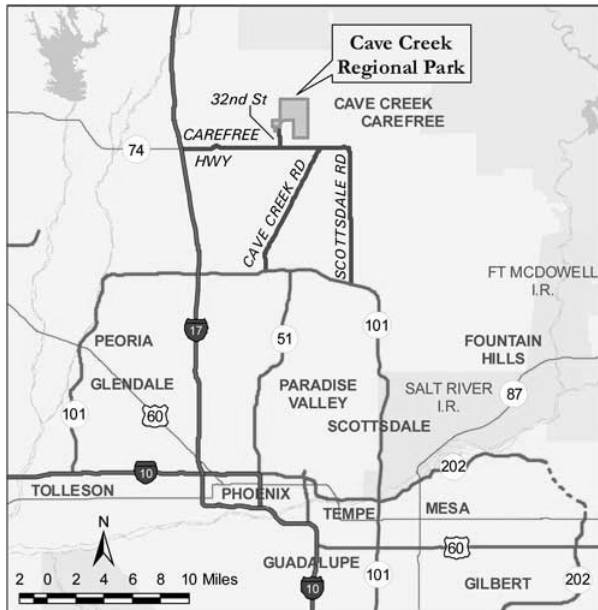

Located north of Phoenix, this 2,922-acre park sits in the upper Sonoran Desert. Ranging in elevation from 2,000 feet to 3,060, this desert oasis provides any hiker and equestrian majestic views. The Go John Trail loops around a mountain to provide the illusion of being miles away from civilization. In the 1870s, fever stricken gold seekers staked their dreams on the jasper-studded hills. Guided trails to these sites give visitors an opportunity to travel back in time.

**Directions**

From central Phoenix, take I-17 north to Carefree Hwy (SR 74). Exit Carefree Hwy. and travel east to 32nd St. (7 miles). Turn north on 32nd St. to the Cave Creek Regional Park entrance.
