**About The Kendall Mountain Run**

The Kendall Mountain Run can be traced all the way back to August of 1908 when a wager was made on whether or not it was possible to race to the top of Kendall Mountain (elevation 13,066 feet) from town and back in under 90 minutes. Miner Neil McQuie, who worked at the Frank Hough Mine, high on Engineer Mountain above Animas Forks was selected as the man for the job. Although Neil lost the bet by a mere 1 minute and 42 seconds, the spirit of mountain running in the high country was born!

**Directions**

Coming from Durango or Ouray, enter town off the 550 and travel 0.5 miles on the main road to the start. The finish BBQ at Memorial Park is located at the north east end of Silverton, on Greene Street/Hwy 110.
